**CLARCOR ACQUIRES FILTER RESOURCES, INC., FILTRATION, INC. AND  
FABRICATION SPECIALTIES, INC.**

*A worldwide leader in filtration equipment,  
PECOFacet employs 350 locally, 900 globally*

**MINERAL WELLS, TEXAS, December 18, 2014** – PECOFacet, announced today that its parent CLARCOR has acquired 100% of the Filter Resources group of companies. The companies, which manufacture and distribute filters to the petrochemical and refining industries, predominately in the Texas Gulf Coast and Louisiana region, will operate as a part of PECOFacet. The acquisition is intended to accelerate PECOFacet’s growth in the oil & gas downstream market segment.

Scott Thompson, PECOFacet’s President commented, “The vision for PECOFacet that we’ve consistently communicated in recent years is to maintain our market leadership in natural gas and aviation fuels, go where the growth is, leverage technology and new products and increase our liquid filtration business. This acquisition is a perfect fit with that vision. Filter Resources’ expertise in the oil & gas downstream refining and petrochemical markets, along with their strong customer relationships and quick response aftermarket manufacturing, mesh perfectly with our existing capabilities, as well as our vision for the future.”

PECOFacet is based in Mineral Wells, Texas and is a marketer and manufacturer of engineered filtration housings, cartridges and other filtration products for use primarily in oil & gas, aviation, marine and life sciences applications, sold in domestic and international markets.
